Notes: (1) These consolidated unaudited financial results of the group for quarter and half year ended 30th September, 2019 have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 24th October, 2019. These results are prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013. (2) The group's business falls within single business segment of developing of commercial and residential units. Hence, disclosures under Ind AS 108- Operating Segments are not reported separately. (3) On 30th March, 2019 MCA notified Ind AS 116 'Leases' and it replaces Ind AS 17 'Leases', including appendices thereto. Ind AS 116 is effective for annual periods beginning on or after 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all the leases under a single on balance sheet model similar to the accounting for finance leases under Ind AS 17. The group has adopted Ind AS-116, effective from 1st April, 2019 using modified retrospective approach and accordingly, the comparatives have not been restated. The adoption of this standard does not have any material impact on the results for the quarter and half year ended 30th September, 2019. (4) The standalone unaudited financial result for the quarter and half year ended on 30th September, 2019 are summarized below:

Notes: (1) These consolidated unaudited financial results of the group for quarter and half year ended 30th September, 2019 have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 24th October, 2019. These results are prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013. (2) The group's business falls within single business segment of developing of commercial and residential units. Hence, disclosures under Ind AS 108- Operating Segments are not reported separately. (3) On 30th March, 2019 MCA notified Ind AS 116 'Leases' and it replaces Ind AS 17 'Leases', including appendices thereto. Ind AS 116 is effective for annual periods beginning on or after 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all the leases under a single on balance sheet model similar to the accounting for finance leases under Ind AS 17. The group has adopted Ind AS-116, effective from 1st April, 2019 using modified retrospective approach and accordingly, the comparatives have not been restated. The adoption of this standard does not have any material impact on the results for the quarter and half year ended 30th September, 2019.
